## MAY BE FATAL

## Boy Was Struck by an Auto and Injured

Wladyslaw Fondakoffka, aged about eight years, was run into and probably fatally injured by an automobile at the corner of Cabot and Moody streets, shortly before noon today. He is now at the Lowell hospital, where he is suffering from a fracture of the right thigh, a fracture at the base of the skull and paralysis of the facial nerves. A man named Robert B. Johnson, who resides in Waltham, was driving the machine which struck the boy.

Spectators claim that the man in the automobile was traveling through the street at a moderate rate of speed when the boy, who was coming from school, started to run across the street. The driver of the machine, it is said, could bring the machine to a standstill, but it struck the boy. The ambulance was summoned and the child was taken to the Lowell hospital, where everything possible was done, but the officials entertain little hope for his recovery.

## GOLF CHAMPIONSHIP

PHILADELPHIA, Oct. 8.—The chances of the woman's national golf championship title going to Great Britain were greatly increased today when Miss Dorothy Campbell of North Berwick, Scotland, the British champion, defeated Mrs. Caleb Fox of Philadelphia in the semi-final round of the tournament on the links of the Merion Cricket club at Haverford. The Scotch champion won by 3 up and 2 to play in as fine an exhibition of golf as has been seen hereabouts in a long time.

Mrs. Ronald Barlow of Philadelphia won her match from Miss Margery Phelps of Boston. Mrs. Barlow on whom now devolves the responsibility of trying to keep the American title on this side of the Atlantic had an easy time of it, winning the match by the one sided score of six up and five to play. The final round between Miss Campbell and Mrs. Barlow for the championship will be played tomorrow.

Interest in the two games was intense among lovers of the sport and the largest gallery of the week was out to see the contest.

## COOK AT ST. LOUIS

## Arctic Explorer Gets a Royal Reception

ST. LOUIS, Oct. 8.—Dr. Frederick A. Cook, the Arctic explorer, headed the most impressive of the centennial week pageants today, the military, historical, educational parade. The greeting given the explorer was declared to have been the most enthusiastic he had ever experienced since his arrival at Copenhagen.

Dr. Cook returned from Kansas City early today. He rode in the Adolphus Busch limousine, drawn by four horses, and surrounded by mounted police.

**PROF. JUNGERSON TALKS**

SALEM, Oct. 8.—"Although no university was ever called upon to settle such a question I expected that Dr. Cook's data would be turned over to the astronomers for examination," said Dr. Hector F. Jungerson of the university of Copenhagen, who visited the Peabody museum today as the guest of Prof. Edward Morse.

Dr. Jungerson was a delegate to the inauguration of A. Lawrence Lowell as president of Harvard and received the degree of doctor of sciences on that occasion on Wednesday in recognition of his valuable work in zoology.

"I left Copenhagen on August 8th, nearly a month before the news was received of the discovery of the pole by Dr. Cook," said Dr. Jungerson, "so that I cannot say exactly what method will be employed in examining his claims. I should suppose, however, that the astronomers of our universities at this time will be able to determine just where Dr. Cook was on certain dates."

When the hope was expressed by one of the newspapermen that Dr. Cook had found the pole, Dr. Jungerson said with considerable emphasis: "So do I."

## ORAL BETTING

## COURT OF APPEALS WILL CONSIDER IT

ALBANY, N. Y., Oct. 8.—Arguments on the question of whether oral betting is a violation of the race track gambling laws will be heard by the court of appeals Monday. The appeal of the Kings county district attorney's office from a decision of the appellate division which held that oral betting was not bookmaking was on today's calendar, but by mutual consent was overruled. The lower courts ordered the discharge of Sol Lichtenstein and Orlando Jones who were indicted on a charge of bookmaking.

BURNSIDE, Ky., Oct. 28.—Fire which started here early this morning is still raging and has so far caused a loss of \$100,000. A large portion of the business section is destroyed.

## INSURANCE MEN

## ARRAIGNED BEFORE NATIONAL UNDERWRITERS

LOUISVILLE, Ky., Oct. 8.—Those insurance men who in the trade vernacular have been guilty of "rebating," "twisting" and "padding" were bitterly arraigned at today's sessions of the National Association of Life Underwriters' twentieth annual convention in this city.

Insurance upheavals of the past few years were discussed, remedies proposed and unfriendly legislation was declared to be a thing of the past.

## THE POLICE BOARD

## Full Text of Decision of Judge Dana in the Case

The finding of Judge Dana in the police board case is regarded as the most important decision handed down in any case of the kind in this commonwealth.

The decision became known early yesterday afternoon and was at once publicized by The Sun. The report was soon spread throughout the city and many telephone queries were received at The Sun office from Lowell people and residents of surrounding towns who were interested in the outcome of the case.

The substance of the finding, apart from the discussion of the evidence, is as follows: "While the mayor has the power of appointment of the board of police, and also the power of removal of said board, the members thereof are in no sense subordinates of his or he is responsible for their actions. They are an independent board and within their sphere are as supreme as he is within his."

"I recognize, that, if the board of police had adopted a more rigorous policy at the outset, they would have avoided much of the criticism to which they have been rightfully or wrongfully subjected, but I do not find, and I do not think that an impartial person can find, in this record, evidence of malfeasance, incapacity or neglect of duty. The mayor has not

the right to remove the board of police merely because he differs from the members, and they from him in a matter of policy, which is exclusively within their control.

"Accordingly, the orders of the mayor removing the several petitioners are revoked."

**Judge Dana's Finding**  
**COMMONWEALTH OF MASSACHUSETTS.**

Superior Court. Middlesex, ss.

FRANK K. STEARNS No. 16,541.

GEORGE H. BROWN No. 16,542.

CHARLES H. HANSON No. 16,543.

GEORGE H. BROWN No. 16,543.

These are applications, under R. L. c. 100, s. 4, by the petitioners, Frank K. Stearns, Charles H. Hanson, and Thomas P. Boulger, lately the board of police of the city of Lowell, for the revocation of an order whereby said petitioners were removed from office by the respondent, George H. Brown, the present mayor of said city.

**Jurisdiction.** The respondent has moved to dismiss the proceedings for want of jurisdiction. This court has already ruled

upon this point in two cases arising under the same statute and from the same city, and has decided in both cases that the court has jurisdiction. Dow et al. vs. Casey (Mass.); McEvoy et al. vs. Farham (Mass.). I hold, accordingly, in conformity with these decisions, that the objection as to jurisdiction is not well founded.

**Cause of Removal.** The Licensing board was established in Lowell in 1894 under the provisions of general act, Sts. 1894, c. 428. By said act the mayor was invested with the power of appointment of the board, and also with the power of removal, "for cause." In the following year, by a special act, the control of the police force was transferred from the mayor and city council to the licensing board, and the name of the board changed from licensing board to board of police of the city of Lowell. Sts. 1895, c. 187. The members of the licensing board were to "remain in office as members of said board of police unless removed by the mayor for incompetency, malfeasance or neglect of duty," and by section 10 the mayor was to have general authority to remove members of the board "after hearing, for malfeasance, incompetency or neglect of duty." There was no right of appeal from the decision of the mayor, in case of removal, under either the act of 1894 or that of 1895. This provision was supplied by the act of 1896, in amendment of the act of 1894, and the act of 1894, as so amended, in respect of the power of removal, continued to the power eleven

## STABBED BOY

BOSTON, Oct. 8.—Much excitement was caused on a Chelsea ferryboat today while landing its throngs of morning passengers at its dock in this city, by a stabbing affray in which two 17-year-old boys were the participants. While the crowd was surging out of the boat Marco Rocco of Chelsea, it is alleged, became angered by being jostled about and suddenly drew a knife and made a thrust at the one nearest him who happened to be a boy of his own age, Abraham Shooker, also of Chelsea. The knife entered Shooker's back but the wound is not dangerous.

## RUSSELL CASE

## OPPOSITION PRODUCES AN IMPORTANT WITNESS

CAMBRIDGE, Oct. 8.—The opposition to the man who is trying to establish his identity as Daniel Blake Russell in order to secure a share of the estate of Russell's father, today introduced a witness, Joseph Ruseau of Helena, N. Y., father of J. D. Ruseau, who the opposition claims is identical with the claimant. The witness said that his son James left their home, which then was in Hogsburg, N. Y., fourteen years ago, and he had not seen him since. He positively identified photographs which were shown him as those of his son.

James Ruseau's mother accompanied his father here, and it was expected that she too would be called as a witness.

## BEERBOHM TREE

## UNVEILS TABLET AT SHAKESPEARE'S THEATRE

LONDON, Oct. 8.—A tablet, marking the site of Shakespeare's Globe theatre, was unveiled today by Herbert Beerbohm Tree in the Barclay and Perkins brewery on the south side of the Thames, in the presence of a large gathering of Shakespeare enthusiasts.

Prof. Charles Wallace of Nebraska, nearly spoiled the ceremony by the fierce controversy regarding the actual site of the theatre which he stirred up several days ago by publishing two learned articles in the Times. Literary circles were much interested. Prof. Wallace contended that the Globe theatre occupied another location near by. R. W. Martin, Sydney Lee, the Shakespeare authority and Mr. Tree have given a great deal of their time for a week past to investigating Mr. Wallace's contention and in a speech today Mr. Tree said that the debris that Messrs. Barclay and Perkins produced proved that "the sage of Newbrask" had made a mistake.

## JAP PRISONERS

WASHINGTON, Oct. 8.—A despatch to the revenue cutter service says that the cutter Rush arrived at Valdez yesterday with a batch of Japanese prisoners. They are understood to be the six Japanese who were captured recently in two boats in the Behring sea for illegal taking of seals in the territorial waters of the United States.

The capture was made off the island of Nauru of the Prussian group. The Rush leaves today for Valdez.

## SCORE IS TIED

## Detroit 1, Pittsburg 1, at the End of Fourth Inning

PITTSBURG, Oct. 8.—What is expected to be a record breaking crowd for a world's championship baseball game began to gather early at Forbes field today to witness the opening game of the series between Detroit, the three times champion of the American league, and Pittsburg, the winner of the National league pennant. Those who were not lucky enough nor rich enough to secure seats besieged the gates at an early hour. The gates were opened several hours before the game was scheduled to begin, but an immense crowd was on hand when the portals were thrown open.

A tremendous rush for seats followed, and in a short time all but the reserved sections and boxes were filled to overflowing, with a baseball mad crowd. The holders of seat coupons strolled in more leisurely, but before the umpire called "play ball" there was not an inch of even standing room within the immense amphitheatre. Many thousands had to remain outside the gates and gather what they could of the news of the progress of the great diamond battle. Schenly hill, a place of rising ground to the east and south of the field was also packed with a seething mass of humanity, which was straining every nerve to get a glimpse of what was going on behind the high fences.

**Lively Practice.** Both teams warmed up in lively fashion and showed plenty of snap and ginger in their work. Every move of the Pittsburg brought forth yells of applause. Here and there in the expansive sea of wild enthusiasts could be seen a yellow and black banner of Detroit and now and then a Detroit cheer would rise only to be immediately drowned by a volcanic outburst of the local partisans.

Managers Clark and Jennings warmed up three pitchers and neither would make a prediction as to his choice. Adams, Willis and Lofie were on the warming pan for Pittsburg, and Mullin, Donovan and Wilt were working out their arms for Detroit. It was thought that final choice would fall on Charles Adams, the phenom from the Louisville American team, who has made such an enviable record for himself with Pittsburg this season. The reliable George Mullin was expected to be the twister for the American league champions. Gibson for Pittsburg, and Schmidt for Detroit were the most likely choices for the back stopping.

**The Lineup.** Both Matthew McIntyre and Dave Jones were in left field for Detroit, but it was thought that Jones would be named to start the game.

Following is the probable lineup of the two teams:

Detroit—D. Jones lf, Bush ss, Cobb rf, Crawford cf, Delehanty 2b, Moriarty 3b, T. Jones 1b, Schmidt c, Mullin p. Pittsburg—Byrne ss, Leach cf, Adams 1b, Wilson rf, Brown c, Albert p, Umpires, O'Loughlin and Johnston.

**Ground Rules Adopted.** At a preliminary conference between Managers Jennings and Clark and Umpires O'Loughlin and Johnston the ground rules were decided upon. This

BROCKTON, Oct. 8.—William J. Hackett of North Weymouth won the Boston-Brockton marathon race today in a field of fifty starters. His time was 2:37:26 1-5.

look some little discussion and the whole Detroit team was on hand making suggestions.

Another short conference was held. Finally everything was adjusted. Umpire Johnstone then announced the batteries as follows:

Adams and Gibson for Pittsburg and Mullin and Schmidt for Detroit.

Dave Jones played left field for Detroit and led off at the bat.

Following is the detail of the play:

**First Inning.** Detroit—Jones drew a base on balls. Walsh sacrificed Abstein to Miller, advancing D. Jones to second. Cobb walked. Crawford hit to Adams, who threw to Byrne, forcing D. Jones. Delehanty singled to left, scoring Cobb and sending Crawford to third and Delehanty went to second on a throw to plate to catch Cobb. Moriarty hit a grounder which struck Delehanty as he was running to third, and Delehanty was out. Moriarty getting credit for hit. One run.

For Pittsburg—Byrne popped to Bush. Leach out; Delehanty to T. Jones. Clark out; Mullin to T. Jones. No runs.

**Second Inning.** Detroit—T. Jones went out. Byrne to Abstein. Schmidt went out the same way. Mullin singled to center. D. Jones was out on a liner to Byrne. No runs.

For Pittsburg—Wagner was out. Delehanty to T. Jones. Miller flied to Cobb. Abstein drew a base on balls, being the first Pittsburg player to get first base. He was caught napping at first; Mullin to T. Jones. No runs.

**Third Inning.** Detroit—Bush bunted and was out. Adams to Abstein. Cobb went out. Wagner to Abstein. Crawford hit a high bouncer over Adams' head and went to third. Moriarty flied to Clark. Delehanty flied to Clark. No runs.

Pittsburg—Wilson went out. Moriarty to T. Jones. Gibson was second out. Delehanty to T. Jones. Adams flied out to T. Jones. No runs. Score, Detroit 1, Pittsburg 0.

**Fourth Inning.** Detroit—Moriarty went out. Byrne to Abstein. Byrne making a beautiful stop. T. Jones flied out to Leach. Schmidt got a base on balls. Mullin forced Schmidt at second. Wagner to Miller. No runs.

Pittsburg—Byrne drew the score in this inning. Byrne went out. Mullin to T. Jones. Leach struck out. Clark knocked a home run into the right field bleachers and the Pittsburg crowd went wild. Wagner was hit by a pitched ball. Miller flied to Cobb. One run.

Score—Detroit 1, Pittsburg 1.

**NATIONAL ASSOCIATION MEETS**

PITTSBURG, Oct. 8.—The national commission met today, but did not take the expected action on the reopening of the Pfeffer case. President Charles W. Murphy of the Chicago Nationals has asked for a reopening of the case in which he was fined \$500 for the alleged tampering with Pitcher Pfeffer of the Toronto club. It is expected that decisive action will be taken by the commission when it meets again tomorrow. From intimations made by members of the commission it is thought Murphy will be given 72 hours in which to pay the \$500 or be read out of organized baseball. It is also thought he will be reprimanded by the commission for his conduct in this case. The commission decided how the umpires were to work throughout the series, and especially cautioned the players of both teams concerning rowdiness of any sort during the series. It was announced officially that Johnstone would work behind the bat with O'Loughlin on the bases. Tomorrow Evans will work behind the bat with Klein on the bases. The commission adopted the following resolution in regard to Harry Pulliam, late president of the National league:

"Harry C. Pulliam, one of the orth-

doxical members and thought it peculiar that they were not present, but, owing to the fact that the commission-

**COST \$6,000,000****New Pulp and Paper Plant Established**

GRAND FALLS, N. Y., Oct. 8.—An event which in the opinion of residents of New England means much for the commercial and industrial development of the colony was celebrated here today in the first of two days' festivities in connection with the formal opening of the Northcliffe paper and pulpwood manufacturing industries here. Although a corporation known as the Anglo-New England Development company is in charge of the enterprise, the leading spirit is Lord Northcliffe, the proprietor of the London Daily Mail and numerous other daily, weekly and monthly publications. In the development of his pulpwood and paper enterprise Lord Northcliffe's company has spent \$6,000,000 and has established a pulp and paper manufacturing plant that is exceeded in size only by the paper mills at Millington, N. C. In addition to building the mills and power houses necessary to convert the timber into pulp and paper, Lord

Northcliffe and his associates have constructed a model town with special attention paid to sanitation and to the religious and spiritual side of its inhabitants as well as to their personal comfort.

This new town of Grand Falls has sprung up in a wilderness in the center of New England. It is situated on the Partridge river, a stream which has its source in a chain of lakes in the south western corner of the colony and flows into the northeast direction, emptying into the St. Lawrence bay on the east coast. At the particular point on the river where the great mills have been erected there is a heavy fall. The task of damming the river was an engineering problem, but it was finally accomplished at great expense and an immense water power developed.

With the damming of the river and the starting up of almost unlimited power, work was begun on the erection of a series of buildings. These are now completed and are equipped with the most modern machinery. A number of men will be employed in the mills here, while thousands of lumbermen will find work in the timber tracts in the vicinity of Millington, owned by Lord Northcliffe and his associates. To house these men and their families, comfortable and attractive dwellings have been built, churches and a library are under construction, a hotel has been constructed and

a municipal water and sewerage system is in operation. It is understood that the pulp and paper produced here will all be used by Lord Northcliffe in furnishing paper stock for his many publications.

her home, 11 Manhattan street. A funeral service was held at the Highland M. E. church at 2.30 o'clock, Rev. J. P. West officiating. Appropriate selections were sung by the church choir. The officers at the church were Joseph M. Hume and Charles L. Petrie. The bearers were John Thorne, Jr., William C. Brown, Frank L. Hadley, and Fred E. Jones. Burial was in the Edison cemetery under direction of George W. Hadley.

CHASE.—The funeral of Mrs. Josephine M. Chase took place yesterday from her home, 138 Mammoth road, Rev. F. G. Alger officiating. Mrs. Chase sang appropriate selections, and there were many floral offerings. The bearers were Thomas Varnum, E. S. Jones, Daniel H. Bean and P. P. Burbank. Burial was in the Lowell cemetery under direction of J. A. Weinbeck.

**DEATHS**

VINAL.—Many Lowell people, to whom the deceased was well known, will read with interest the following notice, printed by the Hamilton, Maryland, newspaper, regarding the death of Dr. Walter H. Vinal, formerly of this city.

Dr. Walter H. Vinal, one of the most popular and widely known physicians and surgeons of Hamilton, died yesterday of pneumonia and dropsical lungs. He had been seriously sick for only two weeks.

Dr. Vinal was a man of vast experience in his profession, although only 36 years of age, and there is a romance connected with his life, which makes his untimely death particularly pathetic. He was to have been married only next month to Miss May Irene Whitford, daughter of the late Dr. Almon Whitford of Parkville. He had been a room mate and fellow graduate with Miss Whitford's brother, Dr. Leonard J. Whitford, at the College of Physicians and Surgeons, and had always been a welcome visitor at their home on the Hartford road.

Dr. Vinal's career was a varied and remarkable one. He was born in Boston and was the son of Rev. Samuel Edgar Vinal, a Methodist minister of Boston. One of his uncles is Rev. Fred Vinal, an evangelist minister in New York, and another uncle, Rev. Henry Vinal, a Baptist minister.

Dr. Vinal's first experience in medicine was with Dr. Jaynes & Co., the well known drug firm of Boston, Mass. He came to Baltimore and was graduated at the College of Physicians and Surgeons with high honors 12 years ago. He was afterward resident physician of Bayview for one year. He then practiced for two years in Lowell, Mass., where his mother was living at the time. The next year he spent at the barracks in Washington. This was followed by a two years' service as a surgeon of the United States army, stationed at the Cuban barracks, in Cuba, during the Spanish war.

body was shipped to Gardner, Mass. by Undertaker Savage.

HARRINGTON.—Miss Mary Harrington, aged 23 years, died at St. John's hospital. She is survived by three sisters, Elizabeth, Katie and Bridget. The remains were removed to Undertaker Rogers' warerooms.

ROBERTS.—William H. Roberts died last night at his home, 37 Wilson street, aged 65 years.

ROBERTS.—Mrs. Alfred Roberts died Monday in St. Thomas, Joliet, Canada. She leaves her husband, four children, a mother, father, five sisters and two brothers. The burial took place this morning.

**FUNERAL NOTICE**

CROSS.—Entered into rest, in this city, at her home, 153 Railroad street, Mrs. Elizabeth Cross, beloved wife of John W. Cross, aged 64 years, 11 months, 18 days. Funeral services will be held Sunday afternoon from the First Primitive Methodist church in Gorham street at 2.30 o'clock. Friends respectfully invited. Burial private. Wm. H. Saunders, undertaker in charge.

HESS.—Mrs. Catherine Hess, aged 45 years, died last night at St. John's hospital. She leaves four sisters, Mrs. Thomas Seilly, Miss Mary Smith, Mrs. Hannah McGrath, Mrs. Daniel Kinney and one son, John Smith. The

**CLAIM ESTATE**

BOSTON, Oct. 8.—Rival claimants have appeared for the estate of William J. Corbett, who died Sept. 23 last, and who, as president of the William J. Corbett corporation, conducted a large junk and paper stock business on a street, South Boston. He died intestate, leaving property of about \$300,000, said to consist chiefly of various securities. For some years he had lived alone at 155 Worcester street, South End.

A week ago his brother, James J. Corbett, formerly of this city, and his two half-brothers, Alfred Barlow of Montreal and Frederick Barlow of Quincy, petitioned for letters of administration. Some days later a similar petition was brought by Joseph Corbett, Fannie Friedman, Rebecca Corbett and Isaac Corbett of Philadelphia, claiming to be children of the deceased.

In the probate court yesterday Judge George appointed Thomas J. Kenny and John R. McVey special administrators of the estate under bonds of \$100,000.

## MARATHON RUN

**Lowell Boy Among the Entrants**

BOSTON, Oct. 8.—More than three score long distance runners lined up at noon today in front of the Boston Athletic association club house on Exeter street, where so many famous Marathon runs have ended, awaiting the crack of the starter's pistol, which would send them away on the second annual Marathon run to the fair grounds in Brockton. The course which led to the house through the fair grounds of Gov. Deane, at the fair grounds passed through three counties over roads which furnished fairly good footing, although impeding the runners by

the presence of much dust. From the traditional length of the course from Marathon to Athens, traveled by the Courier Philippiades with news of victory, the course for today's run was a tough 25 miles.

Awaiting the start the runners faced ideal weather conditions. A midsummer sun heat was robbed of its prostrating qualities by a cool breeze, which was not of sufficient strength to figure as a hindrance or asset in the actual running.

This year's field was considerably smaller than that which started in last year's first Marathon run to Brockton. It was of a more even high grade, however, and an interesting race was expected. As favorites were J. W. O'Mara of Yonkers, N. Y., winner of last year's event under Father Scully's auspices, and William R. Zettie of New York; William Wiseman of Boston; Albert Ellis of Natick and R. F. Pigott of Father Scully's gymnasium.

Other entrants include Walter Stevenson, Fred McGahery, A. Narducci, Edward Roy and Henry Albe of Providence, and Joseph Soudard of Lowell.

### LEWIS-PAPKE BOUT

PITTSBURG, Oct. 8.—Sporting interest is keen in the six round bout between Willie Lewis and Willie Papke to be held at the Duquesne garden tonight. The battle will virtually decide which one of them is to get the crown now worn by Stanley Kiedel as the middleweight champion of the world. Papke needs no introduction to fight followers in this country and Lewis, who has also made a record here, is the middleweight champion of England and France.

Both men appear to be confident of the outcome.

### MILITARY SURGEONS MEETING

WASHINGTON, Oct. 8.—With the reading of papers, a general discussion and demonstrations at the public health and marine hospital service, hygienic laboratory by the medical men in charge of that institution, the 18th annual meeting of the military surgeons of the United States came to a close this forenoon.

During the afternoon the members of the association, foreign delegates and bodies will be the guests of Surgeon General Wyman of the public health and marine hospital service at a reception and luncheon, followed by a trip down the Potomac to the north of Washington on the United States revenue cutter "Albatross" also as the guests of Dr. Wyman.

## COUNTESS KILLED

**Murder and Suicide at Berlin Last Night**

BERLIN, Oct. 8.—A remarkable scene unfolded here last night upon a tall woman well known to the night life of the capital, followed by the suicide of her assailant, came to light today when the Countess Augusta von Strachwitz died in a hospital. The woman was shot and stabbed by Alfred Friedlander, a clerk 21 years of age, who was infatuated with her. After wounding the countess the clerk

turned his revolver upon himself and committed suicide.

Countess von Strachwitz was the daughter of a small farmer. After being divorced twice, she married Count Gaenther von Strachwitz and, according to the local newspapers, paid him a sum of money on the condition that they separate at the registry office. The count obtained a divorce and married again. The dissolute life of the countess and her extravagant adventures made her notorious. Three years ago she issued two volumes of poems, "Thoughts in Voice and Reveries." It was never known whether or not the countess was the author of these works and they were often attributed to a well known literary man.

## Free Superfluous Hair Cure

**A Positive Remedy That Removes Any Hairy Growth and Does Not Burn the Skin**

SENT FREE TO YOU FOR TRIAL

It is easy now for any woman to have a beautiful face, handsome arms and bust, free from all disagreeable superfluous hair. It doesn't matter whether it's only a few hairs on a regular mustache or growth, or how light or heavy the growth is, it can be destroyed in a few minutes with the marvelous new remedy, Electrolysis.

This wonderful hair destroyer can be used on the face, neck, arms, bust, or any portion of the body with perfect safety. It is not like other remedies which positively will not irritate, burn or scar the most tender skin, no matter how long it is left on, and it never hurts. It cures even the most obstinate growth almost instantly. If you want a beautiful, lasting complexion, and a permanent relief from superfluous hair, you should use, for it grows, pulls out, and kills them.

We have decided to send a trial bottle of Electrolysis to you free of charge. Write for it to prove that it does all we say, upon receipt of a stamped envelope to help cover cost of mailing. The history of the game there is a The match between Miss Campbell and Mrs. Fox attracted the greater strong possibility of the American and Mrs. Fox attracted the greater

interest largely because of the Scotch woman's reputation as a player and the well known ability of her Philadelphia opponent to put up a spirited contest. Both Miss Campbell and Mrs. Fox have been playing gilded golf during the week.

A hard fought contest was also looked for in the match between Miss Phelps and Miss Barlow. Both reached the semi final round by excellent golf but they had a more difficult time winning their matches than Miss Campbell or Mrs. Fox.

Another hard day favored the players and this fact, coupled with the importance of the matches, brought out one of the largest galleries of the week.

## Fraternal Organizations Parade in Honor of Fulton

ALBANY, N. Y., Oct. 8.—Historic of the last speakers, took occasion to Albany opened its two days' Hudson-Fulton celebration yesterday, beginning in the morning with about 2000 school girls forming a living line on the steps of the state capitol and closing last night with a parade confined exclusively to fraternal organizations in which about 10,000 men participated.

During the afternoon there were aquatic sports on the Hudson river and a parade of automobiles.

The city is ablaze with decorations, including the capitol, are adorned with appropriate colors, augmented by myriads of electric lights.

The main celebration has been reserved for today, when Governor Hughes, Assistant Secretary of War Robert Shaw Oliver, a native Albanian and General Leonard Wood will participate. A fleet will proceed down the river to meet the Hull Moon and Clement and escort them to Albany.

Saturday there will be parades on land and water and Governor Hughes will make a speech.

## DINNER TO GERMAN ADMIRAL

NEW YORK, Oct. 8.—The debt the new world owes the old and the fact that the new is fast paying that debt by its contribution to universal progress, were the keynote of international compliment exchanged at a dinner given to Grand Admiral Von Roeder of the German navy by the German, Austrian and Swiss societies of New York at the Waldorf-Astoria last night. It was the last of the series of international dinners held since the vessels of several foreign navies came here for the Hudson-Fulton celebration.

Admiral of the fleet Sir Edward Seymour, and Rear Admiral Hamilton, representing Great Britain, were present as guests of honor. German, Austrian and Swiss societies of New York at the Waldorf-Astoria last night. It was the last of the series of international dinners held since the vessels of several foreign navies came here for the Hudson-Fulton celebration.

The evening's exchange of courtesies, compliments and assurances of peace and good will, was brought to a dramatic climax by a scene which the diners interpreted as a pledge to enduring peace between Great Britain and Germany. Admiral Seymour, one

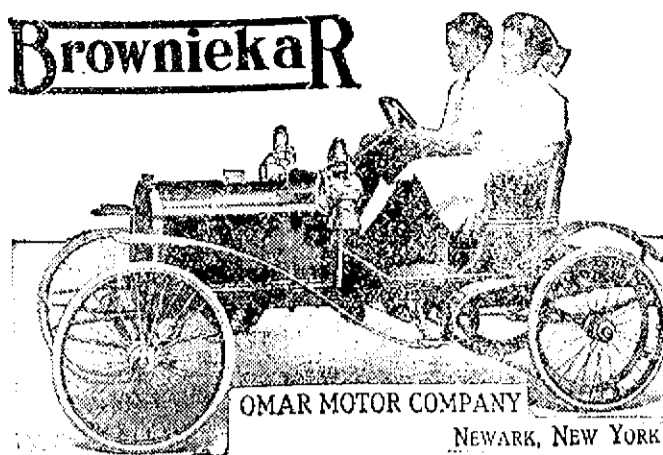

of the last speakers, took occasion to pay glowing tributes to Admiral Von Roeder. After referring to the Boxer troubles, where he was supported by seven nations, Sir Edward said that his best help came from the Germans and added other compliments which stirred the German grand admiral to a flow of words and extended his right hand to the Englishman. The two commanders gripped fervently and the applause broke out in a storm from every quarter of the room. When the applause subsided Sir Edward continued:

"As an Englishman," he said, "I am anxious to see the British navy all that it should be. The German navy is rightly anxious to see the German navy all that it should be. We are continually at sea on the North sea and admire the German sailor and I think they look over with the same spirit of admiration at us. We are friends."

## ADMIRAL DEWEY JUDGE BISHOP

Died at His Home in Newton

## Makes Strong Defense of the American Navy

WASHINGTON, Oct. 8.—Defending, with characteristic vigor, the American navy, Admiral George Dewey asserted yesterday that not only is our navy not a "bluff," but that he is confident that it would give a good account of itself should war ever come.

The admiral's remarks were called forth by a statement attributed to former Representative Landis of Indiana, who, in a recent speech at Cincinnati, Ohio, on advocating ship subsidy, is reported to have said "that those Americans who are informed consider our navy a bluff." The expression was characterized by Admiral Dewey as "an unfortunate one."

Declaring that he saw no war clouds gathering on the horizon, Admiral Dewey discussed several phases of the navy. He expressed himself as heartily in favor of ship subsidy legislation and made a strong plea for the continued upbuilding of the navy. He said that a long time he used to think the German ships were being built for us but I now do not, he added.

Referring to the remark attributed to Mr. Landis, Admiral Dewey said that, of course, what the former meant was that the navy would be comparatively useless in time of war without necessary auxiliaries drawn from the merchant marine. The admiral continued:

"He wants a subsidy of our ships of commerce, and so do I."

The admiral expressed the belief that ship subsidy legislation could be secured were it not for the use of the word "subsidy" which he said many people did not like because they thought that it meant to give something for nothing.

"But the American navy is not quite so helpless as one might imagine from Mr. Landis' remarks," said the admiral. "We have fifteen colliers and several transports already in the service. Of course this would not be enough in time of war and I hope we will continue to add to that number. If we were to have a war we could purchase as many ships as we might need. We did so in the Spanish war. It would, of course, be a great deal better if we had them already."

The admiral declared that the United States needed a merchant marine, not only for the sake of the nation, but for the sake of the world. He said that the United States needed a merchant marine to carry the American flag to the ends of the world.

"But," said Admiral Dewey, "there will be no war. And so long as we are at peace and moderately increasing our navy, replacing the older ships with the best modern type, they will be able to take care of the world."

Mr. Landis, who other nations do not regard the American navy seriously."

Landis' remark and words, Y. M. C. I.

## HUDSON - FULTON IN POLICE COURT

Big Celebration at Albany Today

Motorman and Conductor Discharged

ON CHARGE OF MANSLAUGHTER

They Were Held Under Bonds Since the Accidental Death of a Child Struck by Lakeview Avenue Car

Edward McMahon and Patrick McDermott appeared before Judge Hadley in the juvenile court this morning and were sentenced to Shirley, these being the first ones sentenced to that institution from this city.

The McGauvran brothers have goods stored in upper Central street and it seems that the boys tunneled from one cellar to that containing the furniture and defaced and broke different pieces. In one instance the side was kicked out of a desk, while in another the upholstery was taken out of a chair.

For Larceny

Marvin Chourvinski was arraigned in court this morning on a complaint charging him with the larceny of \$37 from Broneslawia Makewich. Despite the fact that the case took up over an hour of the court's time and had to be interpreted word for word, the case was of such a trivial nature that there was not the least doubt in the court's mind as to the guilt of the defendant. Chourvinski was found guilty and the amount of the alleged loss, \$37, was the fine imposed.

William J. Thomas, charged with drunkenness, was sentenced to three months in jail. Later the sentence was suspended and he was placed in the care and control of the probation officer.

Daniel J. Murphy got a direct sentence of three months in jail.

Walter McBride was fined \$6, and James Barr paid a \$5 fine.

Both Discharged

John Tanson and Thomas Higgins, the motorman and conductor of the electric car of the Boston &amp; Northern Street Railway company, which struck and killed Helen Slack in Lakeview avenue several weeks ago and who were arraigned in police court on charges of manslaughter this morning, were found not guilty and discharged, the report of the inquest having been to the effect that the motorman and conductor of the car were blameless.

Catherine Gray and Andrew Crawford, who were arrested in a house in Middlesex street last week were heard before Judge Hadley this morning in police court. Both were found guilty and fines of \$25 were imposed.

## AT DARTMOUTH

Pres. Nichols' Inauguration Oct. 14

HANOVER, N. H., Oct. 8.—Characteristic Dartmouth simplicity will mark the ceremonies attending on the inauguration of Ernest Nichols, tenth president of Dartmouth college on Thursday next, Oct. 14, 1909.

Little town will be crowded as never before when the alumni and friends of the college arrive. Hundreds of notable will be the gathering of the distinguished educators and scientists to the invited guests in college hall.

An anthem sung by the college choir will open the proceedings in Webster hall after which the invocation will be offered by the Rev. Doctor Francis Brown, president of Union Theological seminary. General Frank S. Stever, of Concord, president of the board of trustees, will then formally induct Nichols into the office of president and the new executive will make a speech of acceptance. A welcome to "Wheelock succession," a symbolic title named from Eleazar Wheelock, the first president of Dartmouth college, will be extended by President Tucker and President Nichols will respond briefly. Then will follow short addresses of congratulations headed by that from the British founders and benefactors of the college to be extended by British Ambassador Bryce.

The details of the program for the inauguration and office of a successor to President William Jewett Tucker announced today provide for the opening of the day with a service in the college chapel. The faculty, trustees, and guests will march to the hall where the formal inauguration exercises will be held. A banquet in College hall will be followed by an inspection of the college buildings and at 4 p. m. President Nichols will lay the corner stone of the new gymnasium. In the evening the trustees will render a dinner to the invited guests in college hall.

## TRIAL FLIGHTS

CURTISS HAD SHORT FLIGHT THIS MORNING

ST. LOUIS, Oct. 8.—Glen H. Curtiss made another trial flight in his new biplane today before a large crowd of spectators.

The Curtiss biplane, owned by the Curtiss Aeroplane and Motor company, made its first attempt to fly in its new form today.

The biplane, rose four feet from the ground in that machine. This was a better performance than when the French aviator, had been able to do.

Formal flights were scheduled for today but because of the inclement weather the chances for success with anything but dirigible balloons were not bright.

## DEATH SENTENCE

IMPOSED ON TWO NEW YORK MEN

NEW YORK, Oct. 8.—Fred Schlemmer and Carl Girs were sentenced today to execution at Sing Sing during the week beginning Nov. 15 for the murder of Mrs. Sophia Staben.

Schlemmer was asked if he had anything to say before he was taken to the gallows. He said: "I am a foreigner."

Girs, however, insisted on his innocence. "I am a foreigner by birth," he said, "but not a murderer."

Mrs. Staben was shot during a pistol fight between her son and the two men.

The father tried to rob his house at Harpeth.

# GLENN CURTISS

Made Aeroplane Flights at  
St. Louis

ST. LOUIS, Oct. 8.—Glenn H. Curtiss, who won international honors in aviation at Rheims, France, made three aeroplane flights here yesterday. One was more than a quarter of a mile and the shortest was about 250 yards. This was witnessed by 40,000 persons, who had waited for hours in Forest Park. Curtiss' last performance of the day was cut short by his engine falling when he was about 25 feet from the ground. The machine glided to an irregular landing place and a sudden gust snapped. Curtiss said the machine would be ready for service today.

In the flights yesterday Curtiss used a bi-plane with a 25 horse power motor. Few people witnessed the first two flights as the morning mist was still undispelled. A stiff wind yesterday afternoon delayed him until dusk.

George Francis Smead, who is here with the Phoenix bi-plane, which won the endurance prize at Rheims, attempted three times at dusk to satisfy the crowd that he could fly. He circled the field several times, but was not strong enough to enable him to leave the ground. His flight was clearly expressed in his face.

A monoplane built on the lines of Latham's machine by V. A. Robinson

of St. Louis was also brought out, but the motor failed to develop sufficient power and an attempt was made to go into the air.

The really successful navigators of the air were Roy Knabenshue, Lincoln Beachley and Thomas Baldwin in dirigibles. The last made a long flight when motor trouble overcame him and he was forced to land in the creek. His second flight, after repairs, and been made was greeted with great applause.

Knabenshue, however, was the favorite with the crowd. Beachley's first rise in the air simultaneously and flew for about two miles side by side when Knabenshue left him in the rear.

LEADING BANKS

Advance Vote for Call Loans

PHILADELPHIA, Oct. 8.—The leading banks gave notice that the rate for call loans would be advanced today to 4 per cent. This is the second advance within three weeks, the last previous change being from 2 to 4 per cent.

The change was made on account of the sharp rise of interest rates in New York and the increasing demand for money. Even at the higher quotation the rate is lower than usual at this time of the year. In October, 1907, and 1908, the rate was 6 per cent, and in 1905, it was 5 per cent. Last year, when money was exceptionally plentiful, the rate was only 3 per cent.

GOOD COMPLEXIONS

SOAP WITH PERFUME RICH IN MEDICINAL PROPERTIES

Have you tried the new X-Zella Soap? It is a beautifully medicated cake of soap, containing a full percentage of healing X-Zella liquid, to which has been added the most delicate violet odor. New X-Zella Soap is not expensive, when compared to imported soaps, and is much superior both in odor and its wonderful properties for preserving and purifying the skin.

WORLD'S RECORD EQUALLED

WASHINGTON, Oct. 8.—The world's rifle shooting record on a 200 yard range was equalled yesterday by Lieut. Charles M. Putnam, District of Columbia national guard, retired, who scored 17 hits out of a possible 20, while taking part in the annual fall rifle competition. This record first was made by Capt. Allen, Massachusetts national guard, at Camp Perry, Ohio, in 1908.

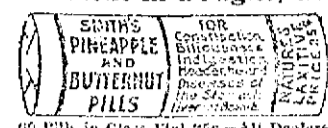

## YOU SHOULD FEAR BOWEL POISON.

Bowel poison means blood tainted by fecal secretions absorbed from the bowels. Here are the symptoms:—

If your skin is disfigured by eruptions, hives, pimples, blotches, sore throat, if you feel tired and your skin is itchy and rough; if you feel tired and your nerves weak, constipated, cross and depressed; if your head feels heavy and aching, your eyes blur and specks float across your vision; if you have cold feet and your hands get sweaty and sticky—if you have these danger signals they point unerringly to bowel poison, impure blood, and show that your stomach, liver and bowels are not working right.

Smith's Pineapple and Butternut Pills quickly drive the Bowel Poison out of your system, will regulate your bowels, purify your blood and invigorate your whole body. They are a sure and unfailing cure for bowel poison in young or old. Physicians use and recommend. They form no habit. You should always keep them on hand. These little Vegetable Pills will ward off many ills.

## CAPTAIN EVANS

Has Been Sued for \$5000

PORTSMOUTH, N. H., Oct. 8.—A damage suit for \$5000 and late night lodged against Captain Evans, master of tug at the Portsmouth navy yard, by the mother of Seaman C. Edwards, colored, who was drowned when the tug Nezmesed, which Capt. Evans commanded, went down off Halfway Point, Aug. 11, last.

Capt. Evans was arrested on a capias writ, but immediately secured bail in \$5000 and was released. The work all-day patient handling of the tug Nezmesed by Capt. Evans. As the tug is United States property, and Capt. Evans is in the employ of the United States, it is expected there will be a question of jurisdiction involved in the further progress of the suit.

## MARATHON RUN

### Lowell Boy Among the Entrants

BOSTON, Oct. 8.—More than three score long distance runners lined up at noon today in front of the Boston Athletic association club house on Exeter street, where so many famous Marathon runs have ended, awaiting the crack of the starter's pistol, which would send them away on the second annual Marathon run to the fair grounds in Brockton. The course which led to the bronze trophy in the hands of Gov. Draper at the fair grounds passed through three counties over roads which furnished fairly good footing, although hampering the runners by

the presence of much dust. Firm to the traditional length of the course from Marathon to Athens, traveled by the Courier Philadelphians with news of victory, the course for today's run was a rough 25 miles.

Awaiting the start the runners faced ideal weather conditions. A midsummer sun heat was robbed of its protruding qualities by a cool breeze, which was not of sufficient strength to figure as a hindrance or asset in the actual running.

This year's field was considerably smaller than that which started in last year's first Marathon run to Brockton. It was of a more even high grade, however, and an interesting race was expected. As favorites were J. W. O'Mara of Lenox, N. Y., winner of last year's event under Father Scully's gymnasium colors of Cambridgeport; Sammy Mellor of the Mercury A. C., New York, Marathon's old man, who finished second last year; William Rozette and Charles H. Appleyard of New York; William Wiseman of Boston; Albert Ellis of Natick and R. P. Pigott of Father Scully's gymnasium.

Other entrants include Walter Stevenson, Fred McInerney, A. Narducci, Edward Roy and Henry Albe of Providence, and Joseph Soudard of Lowell.

## LEWIS-PAPKE BOUT

PITTSBURG, Oct. 8.—Sporting interest is keen in the six round bout between Willie Lewis and Billie Papke to be held at the Duquesne garden tonight. The battle will virtually decide which one of them is to get the crown now worn by Stanley Ketchel as the middleweight champion of the world. Papke needs no introduction to fight followers in this country and Lewis, who has also made a record here, is the middleweight champion of England and France.

Both men appear to be confident of the outcome.

## MILITARY SURGEONS MEETING

WASHINGTON, Oct. 8.—With the reading of papers, a general discussion and demonstrations at the public health and marine hospital service hygienic laboratory by the medical men in charge of that institution, the 18th annual meeting of the military surgeons of the United States came to a close this forenoon.

During the afternoon the members of the association, foreign delegates and ladies will be the guests of Surgeon General Wyman, of the public health and marine hospital service at a reception and luncheon, followed by a trip down the Potomac to the tomb of Washington on the United States revenue cutter "Albatross," also as the guests of Dr. Wyman.

## COUNTESS KILLED

### Murder and Suicide at Berlin Last Night

BERLIN, Oct. 8.—A murderous assault here last night upon a titled woman well known to the night life of the capital, followed by the suicide of her assailant, came to light today when the Countess Augusta von Strachwitz died in a hospital. The woman was shot and stabbed by Alfred Friedlander, a clerk 23 years of age, who was infatuated with her. After wounding the countess the clerk

turned his revolver upon himself and committed suicide.

Countess von Strachwitz was the daughter of a small farmer. After being divorced twice she married Count Guenther von Strachwitz and, according to the local newspapers, paid him a sum of money on the condition that they separate at the registry office. The count obtained a divorce and married again. The dissolute life of the countess and her extravagant adventures made her notorious. Three years ago she issued two volumes of poems, "Thoughts in Voice, and Reveries." It was never known whether or not the countess was the author of these works and they were often attributed to a well known literary man.

## THE GOLF PLAY

Some Interesting Matches on the Card

PHILADELPHIA, Oct. 8.—Scotland title being carried across the Atlantic against Philadelphia in one match and The survivors are Miss Dorothy Boston against Philadelphia in the Campbell of North Berwick, Scotland, other is the schedule today in the semi-final round of match play for the women's national golf championship on the links of the Merion Cricket club at Haverford and for the first time in the history of the game there is a strong possibility of the American and Mrs. Fox attracted the greater

interest largely because of the Scotch woman's reputation as a player and the well known ability of her Philadelphia opponent to put up a spirited contest. Both Miss Campbell and Mrs. Fox have been playing gilded golf during the week.

A hard fought contest was also looked for in the match between Miss Phelps and Miss Barlow. Both reached the semi final round by excellent golf but they had a more difficult time winning their matches than Miss Campbell or Mrs. Fox.

Another ideal day favored the players and this fact, coupled with the importance of the matches, brought out one of the largest galleries of the week.

Miss Elizabeth Scannell has returned from her vacation at Kennebunkport. Miss Margaret Kelley of Kennebunkport is the guest of Miss Elizabeth Scannell of Cambridge street.

Miss Ella Fowler of 25 Arthur street is visiting her sister, Mrs. Winthrop, who had been hanging about the building, were arrested later. They are said to have had trouble with a grocer who occupied the ground floor.

## CHARRED BODIES

### Were Taking From a Burning Building

NASHVILLE, Tenn., Oct. 8.—Three charred bodies were taken from a burning building at the corner of Eighth avenue and Jefferson street, this city at an early hour this morning.

The dead: MOSES FISHMAN, aged 27. MRS. DORA FISHMAN, aged 24, his wife. MISS ROSIE FISHMAN, aged 14. MISS RACHAEL MARKESON, aged 16.

MRS. ROSIE FISHMAN, aged 16. The fire broke out while the occupants of the house were asleep. Every member of the Fishman family perished. Miss Rachel Markeson, the other victim, lived in the same apartment. Jim Butler and George Harrison, negroes who had been hanging about the building, were arrested later. They are said to have had trouble with a grocer who occupied the ground floor.

## POLICE BOARD

### Stearns, Hanson and Boulger Have Not Returned to Office

John J. Flaherty, Jr., who has survived many changes in the board of police, was the only official at the office of the police board this morning. In answer to inquiries put to him by a representative of The Sun, he stated that none of the members of the board that "was" nor any of the members of the reinstated board had put in an appearance during the day.

During the course of the morning scores of people called at the office of the board to congratulate the reinstated members and thought it peculiar that they were not present, but owing to the fact that the commission had not received official notice of their reinstatement they did not go to the office to assume their duties.

Lawyer Wm. H. Hunt received word this morning that the board had been officially restored, but it is understood that he advised Messrs. Stearns, Boulger and Hanson not to take up the duties of the office until formal notification had been sent to each of the members.

### BOMB THROWER MAIMED EIGHT

RIEMKE, Germany, Oct. 5.—During a dance yesterday given in this village following a peasant wedding an unknown man, thoroughly disguised, appeared on the scene and from the doorway threw a bomb among the dancers. Eight persons were severely wounded. He made his escape.

### GOLF CHAMPIONSHIP

PHILADELPHIA, Oct. 5.—The chances of the woman's national golf championship title going to Great Britain were greatly increased today when Miss Dorothy Campbell of North Berwick, Scotland, the British champion, defeated Mrs. Caleb Fox of Philadelphia in the semi-final round of the tournament on the links of the Merion Cricket club at Haverford. The Scotch champion won by 3 up and 2 to play in as fine an exhibition of golf as has been seen hereabouts in a long time.

Mrs. Ronald Barlow of Philadelphia won her match from Miss Margery Phelps of Boston. Mrs. Barlow on whom now devolves the responsibility of trying to keep the American title on this side of the Atlantic had an easy time of it, winning the match by the one sided score of six up and five to play. The final round between Miss Campbell and Mrs. Barlow for the championship will be played tomorrow.

Interest in the two games was intense among lovers of the sport and the largest gallery of the week was out to see the contest.

### ECZEMA VICTIM GAVE UP HOPE

After Suffering a Year with Raw, Watery Humor on Hands and Face—Prescriptions Did Not Do a Bit of Good—Scratched Till Blood Came and Had to Quit Work.

### COMPLETELY CURED BY CUTICURA REMEDIES

"I suffered with eczema for one year and had two of the best doctors in town, but their medicine did not help me. First of all there were small white pimples on my left hand and I had to scratch until the blood came. Then they would put up and water would run out. Wherever this water would run there would be more pimples until my whole left hand was a mass of sores. Then my other hand became affected and they were like a piece of raw meat. Then it came on my face, neck and under my right arm so that I was unable to raise my arm for two weeks. It became so bad that I was obliged to give up work. "About four months ago I started to doctor and the doctor told me it was eczema. So he told me to get ointment and then for a month and they didn't do me one bit of good so I tried another doctor. He gave me three different kinds of medicines, but I was very much put out when these remedies did not help me. I was unable to sleep at night and I gave up all hope until I decided to try the Cuticura Remedies. I used two cakes of Cuticura Soap, two boxes of Cuticura Ointment and three bottles of Cuticura Resolvent and I am glad to say I am cured. Miss Nora White, 242 North Third St., Reading, Pa., Jan. 4 and 7, 1909."

**Hair Growth**  
Promoted by shampoo with Cuticura Soap and light dressings of Cuticura. This treatment allays itching and irritation, destroys hair parasites, cleanses, purifies and beautifies and tends to make the hair grow more a clean, healthy scalp.

Caution: Beware of cheap imitations. The name "Cuticura" is prominent on the wrapper.

### CANALS OF MARS

PROF. ARCHENHOLD DISPUTES A POPULAR THEORY  
BERLIN, Oct. 5.—Prof. F. S. Archenhold, director of the Tregow astronomical observatory, commenting today on the idea that the canals of Mars were constructed for the purpose of irrigating the earth, said he was unable to accept this view. In his opinion the canals on Mars were for the practical purpose of drawing off the enormous masses of snow water that evidently come with the melting of the ice caps and to prevent inundation. This theory is confirmed by the fact that the canals in a great number of places are marked by sharp, marked when the snow caps melt and the professor assumes that they are built by throwing up dikes a few yards high.

### TARIFF REVISION FINDS ITS WAY INTO SAN DOMINGO

WASHINGTON, Oct. 5.—San Domingo is about to undertake a revision of her tariff, some features of which are regarded as onerous and burdensome to the people. A special session of the Dominican congress has been called for Oct. 25 to take up this question, according to word received here today.

### CROP REPORT

OCTOBER REPORT OF DEPT. OF AGRICULTURE  
WASHINGTON, Oct. 5.—The crop reporting board of the department of agriculture today made public the following estimates on crops on October 1st. Corn conditions 73.8 as compared with 77.8 on same date last year, spring wheat quality 99.5 as compared with 93.1 in 1908; spring wheat quantity 99.4 as compared with 99.4 last year. Oats quality 91.4 as compared with 81.4 a year ago. The indicated total production of spring wheat is about 261,848,000 bushels, against 225,694,000, the official estimate in 1908 of spring and winter wheat combined 724,785,000 bushels compared with 661,602,000 last year and of oats about 983,618,000 bushels against 907,155,000 last year.

### BEERBOHM TREE UNVEILS TABLET AT SHAKESPEARE'S THEATRE

LONDON, Oct. 5.—A tablet, marking the site of Shakespeare's Globe theatre was unveiled today by Herbert Beerbohm Tree in the Barclay and Perkins recovery on the south side of the Thames, in the presence of a large gathering of Shakespeare enthusiasts. Prof. Charles Wallace of Nebraska nearly spoiled the ceremony by a fierce controversy regarding the actual site of the theatre which he turned up several days ago by publishing two learned articles in the Times. Literary circles were much interested. Prof. Wallace contended that the Globe theatre occupied another location near by. R. W. Martin, Sydney Lee, the Shakespeare authority and Mr. Tree have given a great deal of their time to the work of investigating Mr. Wallace's contention and in a speech today Mr. Tree said that the deeds that Messrs. Barclay and Perkins had proved that the "sage of Nebraska" had made a mistake.

ARRAIGNED BEFORE NATIONAL UNDERWRITERS  
LOUISVILLE, Ky., Oct. 5.—Three insurance men who in the trade were known as "rebels" were today arraigned at today's sessions of the National Association of Life Underwriters' twentieth annual convention in this city.

Insurance upheavals of the past few years were the subject of a vigorous and friendly legislation was declared to be a thing of the past.

### Final Games in National League

NEW YORK, Oct. 5.—With the pennant floating securely over the Pittsburgh clubhouse for the next 12 months, the 1909 National league championship baseball season passed into history yesterday. Boston and Brooklyn won the final victories of the season, the former defeating Philadelphia and the latter New York.

Pittsburgh's victory has been widely predicted since May 5, when the team assumed an aggressive lead. Chicago long held a commanding position, however, and the championship was not clinched until Sept. 28. On that date the Illinois team suffered defeat by Philadelphia, and although Pittsburgh came out with the little end of a game with New York, her hold on the pennant became more and more serious.

But for repeated injuries to its crack players and the failure of catcher King to carry the Chicago team's game effort for leadership might have been rewarded with a fourth successive pennant. But even this year, the Chicagoans are the first team in National league history to finish second with a record of more than 100 games won.

New York finished third with a record of 92 victories out of a total of 162 games played and Cincinnati, under a new manager, came out fourth. The disappointments of the year were the Brooklyn, St. Louis and Boston clubs. Brooklyn won 75 games, just half the number the league leaders won, while Boston brought up the rear end of the standing with only 45 victories out of a possible 153. Further decisions by the board of directors may affect slightly the present standing of the clubs.

Protested games between Brooklyn and Chicago on Sept. 3 and Boston and St. Louis on Sept. 29 are still to be adjudicated. The first of these contests has been given to Chicago by President Hedges, but the Brooklyn club has five days to appeal from his decision. The St. Louis-Boston game has not yet been decided on, but the St. Louis club has failed properly to file its answer.

The final standing was as follows:

NATIONAL LEAGUE RESULTS			
Club	Won	Lost	P.C.
Pittsburgh	110	45	70.4
Chicago	104	49	68.6
New York	92	61	60.1
Cincinnati	77	76	50.1
Philadelphia	74	79	48.1
Brooklyn	75	88	45.7
St. Louis	64	98	39.5
Boston	45	108	29.6

At Philadelphia—Boston 7, Philadelphia 1.  
At Brooklyn—Brooklyn 7, New York 5.

### FOOTBALL NOTES

On account of playing fall baseball, the football practice at St. John's Preparatory college at Danvers did not start until last week, but there is every indication that the school will be represented by a fast eleven on the gridiron this fall. There is clear evidence that the candidates are working harder than in former years and the spirit which is shown is a most commendable one. In a great many cases the fact that the team has such an able and energetic coach in the person of Mr. Arthur Sullivan of Salem.

There is a number of veterans in the squad. Frank Geary, the captain, is again playing in the backfield and has Murphy of Lynn, Maine, of the Lowell High school, of Haverhill, former of Cambridge, Pease of Franklin and McGuffee of Jamaica Plains. A number from last year's squad is on hand, including Sullivan of Lynn, McManus of Lynn, Connor of Lawrence, Seaborn of New Britain, Conn., Heister of Lynn, Officer of Manchester, Conn., Lynch of Dublin, N. H., Joyce of Lynn, Hyde of Salem, and others. Woods of Dorchester, Donovan and Loder of Salem, Kavanagh of Milton, Welch of Beverly, Liberty of Cambridge, Polver of Salem, and a few others are out for the first year.

The season will open Saturday, when St. John's will play Lowell Textile at Lowell. Beverly High on Oct. 16th and Lawrence High on Oct. 23d. The Beverly High and Lawrence High games are played at Beverly and Lawrence, respectively. Boston college will play on Thanksgiving day at St. John's. The annual game of Cambridge and Danvers High will be played on Nov. 27th. Games are wanted for Oct. 30th and Nov. 6th.

Address: Frederick A. Fowler, M.D., St. John's Preparatory college, Danvers, Mass.

## HUDSON - FULTON IN POLICE COURT

Big Celebration at Albany Today

ALBANY, N. Y., Oct. 8.—Henry Hudson on his voyage of exploration up the Hudson reached Fort Orange, now Albany, in the Half Moon on Sept. 15, 1609, and Robert Fulton, the first to navigate the river by steam, brought the Clermont to the Albany dock two centuries later, on Aug. 12, 1807. Today Albany welcomed both the Half Moon and Clermont as they voyaged up the river escorted by naval and other vessels and dropped their anchors near Riverside park.

The capital and other public buildings, business houses and private residences decked in the Hudson-Fulton celebration gave the city a festive appearance that has never been equaled in Albany's history which dates back to 1609 when it was granted a charter as a city, the first place in the United States to receive such a charter.

As the naval parade approached the city a salute of 100 guns boomed, church and fire bells clanged out a welcome, noisy whistles added their blasts to the din and the consolidated bands assembled at Riverside park struck up a spirited tune. At the ringing of the first gun Mayor Snider and various local officials proceeded to the executive mansion where Gov. Hughes and staff and Assistant Secretary of War Oliver and General Leonard Wood, commanding the department of the east, were in waiting. They joined the receiving party which proceeded on to Riverside park where a formal welcome was extended the visitors by Gov. Hughes on the part of the state and by Mayor Snider on behalf of the city. One of the principal features of the day was a parade which was reviewed by Gov. Hughes, Secretary Oliver, Gen. Wood and Mayor Snider.

The parade included various organizations of United States troops who are holding a military tournament at Camp Oliver near Albany; Company F, Second Massachusetts volunteer militia, various patriotic and civic organizations and a large number of floats.

An interesting feature of the parade was a number of historical vehicles including the state coach used by the last Patrons Stephen Van Rensselaer and a state coach in which Lafayette rode on his visit to Albany.

Tonight a banquet will be given at Hotel Ten Eyck which will be attended by Gov. Hughes, Secretary Oliver, Gen. Wood and other guests and there will be a display of fireworks at Beaver park.

Dancing 8 to 12 tonight, Y. M. C. I.

Motorman and Conductor Discharged

ON CHARGE OF MANSLAUGHTER

They Were Held Under Bonds Since the Accidental Death of a Child Struck by Lakeview Avenue Car

Edward McMahon and Patrick McDermott appeared before Judge Hadley in the juvenile court this morning and were sentenced to Shirley, these being the first ones sentenced to that institution from this city.

The McCaughan brothers have goods stored in upper Central street and it seems that the boys tunneled from one cellar to that containing the furniture and defaced and broke different pieces. In one instance the side was kicked out of a desk, while in another the upholstery was taken out of a chair.

**For Larceny**  
Maxwell Chmircanski was arraigned in court this morning on a complaint charging him with the larceny of \$37 from Broneslawia Makewich. Despite the fact that the case took up over an hour of the court's time and had to be interpreted word for word, the case was of such a trivial nature that there was not the least doubt in the court's mind as to the guilt of the defendant. Chmircanski was found guilty and the amount of the alleged loss, \$37, was the fine imposed.

William J. Thomas, charged with drunkenness, was sentenced to three months in jail. Later the sentence was suspended and he was placed in the care and control of the probation officer.

Daniel J. Murphy got a direct sentence of three months in jail.

Walter McBride was fined \$6, and James Barr paid a \$5 fine.

**Both Discharged**

John Tanson and Thomas Higgins, the motorman and conductor of the electric car of the Boston & Northern Street Railway company, which struck and killed Helen Sloek in Lakeview avenue several weeks ago and who were arraigned in police court on charges of manslaughter this morning, were found not guilty and discharged, the report of the inquest having been to the effect that the motorman and conductor of the car were blameless. Catherine Gray and Andrew Crawford, who were arrested in a house in Middlesex street last week were heard before Judge Hadley this morning in police court. Both were found guilty and fines of \$25 were imposed.

**THE KIND YOU WANT**  
Artificial teeth that can't be detected are made by Dr. Allen, Old City Hall.

Y. M. C. I. Concert and dance tonight.

## AT DARTMOUTH

Pres. Nichols' Inauguration Oct. 14

HANOVER, N. H., Oct. 8.—Characteristic Dartmouth simplicity will mark the ceremonies attending on the inauguration of Ernest Nichols, tenth president of Dartmouth college on Thursday next, Oct. 14, but this little town will be crowded as never before when the alumni and friends of the college arrive. Particularly notable will be the gathering of distinguished educators and scientists.

Nearly one hundred college presidents have accepted invitations to be present with the installation of a prominent physicist as president of a general college will be made the occasion of the coming together of a larger body of presidents known the country over than has ever before assembled outside of a scientific convention.

The details of the program for the inauguration have been arranged by President William Jewett Tucker and arranged today provide for the opening of the day with a service in the college chapel. The faculty, trustees and guests will march to the hall where the formal inauguration exercises will be held. A luncheon in College hall will be followed by an inspection of the college buildings and at 4 p.m. President Nichols will, by the corner stone of the new gymnasium. In the evening the trustees will tender a dinner

to the invited guests in college hall. An anthem sung by the college choir will open the proceedings in Webster hall after which the inauguration will be offered by the Rev. Doctor Francis Brown, president of Union Theological seminary. General Frank S. Atterton, first president of the board of trustees, will then formally induct Dr. Nichols into the office of president and the new executive will make a speech of acceptance. A welcome to the "Wheelock succession" a symbolic title named from Eleazar Wheelock, the first president of Dartmouth college, will be extended by President Tucker and President Nichols will respond briefly. Then will follow short addresses of communications headed by that from the Dartmouth founders and benefactors of the college to be extended by British Ambassador Bryce, Hon. Henry Quincy will extend the congratulations of the state of New Hampshire while President Nichols Mr. Butler of Columbia will speak for the invited delegates. Right Rev. Frederick Talbot, Episcopal Bishop of Bethlehem, Pa., will pronounce the benediction.

## TRIAL FLIGHTS

CURTISS HAD SHORT FLIGHT THIS MORNING

ST. LOUIS, Oct. 8.—Southern H. Curtiss made another trial flight in his new biplane today. Before a crowd of 100,000 spectators, Curtiss made his first attempt to fly in his monoplane and carried over the St. Louis skyline, rose four feet from the ground in that machine. This was a better performance than Orenth's biplane, but he was able to do it with the same craft.

Formal flights were scheduled for today but because of the inclement weather they were postponed.

ing breeze the chances for success with anything but dirigible balloons were not bright.

DEATH SENTENCE  
IMPOSED ON TWO NEW YORK MEN

NEW YORK, Oct. 8.—Fred Schlimmer and Carlo Gino were sentenced today to execution at Sing Sing during the week beginning Nov. 15 for the murder of Mrs. Sophia Staber. When Schlimmer was asked if he had anything to say he replied: "No; I want to die."

Gino, however, insisted on his innocence. "I am a burglar by trade," he declared, "but not a murderer."

# GLENN CURTISS

Made Aeroplane Flights at  
St. Louis

ST. LOUIS, Oct. 8.—Glenn H. Curtiss, who won international honors in aviation at Rheims, France, made three aeroplane flights here yesterday. One was more than a quarter of a mile and the shortest was about 220 yards. This was witnessed by 400,000 persons, who had waited for hours in Forest Park. Curtiss' last performance of the day was cut short by his engine failing when he was about 25 feet from the ground. The machine glided to an irregular landing place and a rudder guy snapped. Curtiss said the machine would be ready for service today.

In the flights yesterday Curtiss used a bi-plane with a 25 horse power motor. Few people witnessed the first two flights as the morning mist was still undispelled. A stiff wind yesterday afternoon delayed him until dusk. George Francois Ozmont, who is here with the Farman bi-plane, which won the endurance prize at Rheims, attempted three times at dusk to satisfy the crowd that he could fly. He circled the field several times, but was not fast enough to enable him to leave the ground. His disappointment was clearly expressed in his face. A monoplane built on the lines of Latham's machine by V. A. Robinson

of St. Louis was also brought out, but the motor failed to develop sufficient power and an attempt was made to go into the air. The really successful navigators of the air were Roy Knabenshue, Lincoln Beachey and Thomas Balaban in dirigibles. The last made a long flight when motor trouble overcame him and he was forced to land in the crowd. His second flight, after repairs had been made, was greeted with great applause. Knabenshue, however, was the favorite with the crowd. Beachey both rose in the air simultaneously and flew for about two miles side by side when Knabenshue left him in the rear.

## LEADING BANKS

Advance Vote for Call Loans

PHILADELPHIA, Oct. 8.—The leading banks gave notice that the rate for call loans would be advanced today to 5 per cent. This is the second advance within three weeks, the last previous change being from 3 to 4 per cent.

The change was made on account of the sharp rise of interest rates in New York and the increasing demand for money. Even at the higher quotation the rate is lower than usual at this time of the year. In October, 1907, and 1908, the rate was 6 per cent, and in 1905, it was 5 per cent. Last year, when money was exceptionally plentiful, the rate was only 3 per cent.

## GOOD COMPLEXIONS

SOAP WITH PERFUME RICH IN MEDICINAL PROPERTIES

Have you tried the new X-Zalia soap? It is a beautifully made cake of soap, containing a good percentage of healing X-Zalia liquid, to which has been added the most delicate violet odor. New X-Zalia soap is not expensive, when compared to imported soaps, and is much superior both in odor and its wonderful properties for preserving and purifying the skin.

WASHINGTON, Oct. 8.—The world's rifle shooting record on a 200 yard range was equalled yesterday by Lieut. Charles M. Pittman, District of Columbia national guard, retired, who scored 47 hits out of a possible 50, while taking part in the annual fall rifle competition. This record first was made by Capt. Allen, Massachusetts national guard, at Camp Perry, Ohio, in 1905.

## YOU SHOULD FEAR BOWEL POISON.

Bowel poison means blood tainted by foul secretions absorbed from the bowels. Here are the symptoms:— If your skin is disfigured by eruptions, pimples, blotches, sores or eczema; if you itch and burn and your skin is scaly and rough; if you feel tired and worn out, your nerves weak, constipated, cross and depressed; if your head feels heavy and aching, your eyes blur and specks float across your vision; if you have cold feet and your hands get sweaty and sticky;— if you have these danger signals they point unerringly to bowel poison, impure blood, and show that your stomach, liver and bowels are not working right.

Smith's Pineapple and Butternut Pills quickly drive the Bowel Poison out of your system, will regulate your bowels, purify your blood, and invigorate your whole body. They are a sure and unfailing cure for bowel poison in young or old. Physicians use and recommend. They form no habit. You should always keep them on hand. These Little Vegetable Pills will ward off many ills.

## JUSTICE GAYNOR

Accepts the Nomination for Mayor

NEW YORK, Oct. 8.—Justice William J. Gaynor, yesterday accepted the democratic nomination for mayor of Greater New York. His brief, sensational speech in reply to the notification committee served also as an acceptance of the endorsement of a number of independent and semi-independent organizations, whose representatives were present.

There was no condemnation of anybody in Mr. Gaynor's speech, except an allusion to Mr. Barnard, the republican candidate, as a collector of campaign contributions. Mr. Hearst, notified officially yesterday afternoon of the intention of his friends to run him as an independent mayoralty candidate, said that he would give their recommendation his careful consideration and would reply definitely within 24 hours, either announcing his candidacy or definitely declining to accept.

## McCOOY NOMINATED

NEW YORK, Oct. 8.—In one of the most unruly conventions ever held in Brooklyn borough, John H. McCooey, named by followers of Senator Patrick H. McCooey, was nominated for borough president.

As a concession to the Fusionist forces, the republican borough convention in The Bronx nominated Cyrus C. Miller, a lawyer and an independent democrat, for borough president. Timothy Woodruff, chairman of the republican state committee, had the ticket which he had agreed upon with the Fusionists, endorsed by the county and borough conventions in Brooklyn tonight, without opposition. The candidates nominated include a democrat, Alfred E. Stearns, for borough president, and three republicans for the other major offices.

## CAPTAIN EVANS

Has Been Sued for \$5000

PORTSMOUTH, N. H., Oct. 8.—A damage suit for \$5000 and last night lodged against Captain Thomas E. Evans, master of tugs at the Portsmouth navy yard, by the mother of Seaman C. Edwards, colored, who was drowned when the tug Nezineet, which Capt. Evans commanded, went down off Halibut Point, Aug. 11, last. Capt. Evans was arrested on a capias writ, but immediately secured bail in \$5000 and was released. The writ alleges negligent handling of the tug Nezineet by Capt. Evans. As the tug is United States property, and Capt. Evans is in the employ of the United States, it is expected there will be a question of jurisdiction involved in the further progress of the suit.

## THE FISHERIES

PRODUCTION IS VALUED AT \$7,000,000

WASHINGTON, Oct. 8.—The total production of the fisheries of Massachusetts for the year ending December 31, 1908, was \$7,000,000 with a value of \$1,900,000 according to a preliminary report issued by the census bureau yesterday. The number of independent fishermen engaged in the industry in that state was 2111, while the number of boats was 1846. The value of the catch was \$7,000,000, of which the cod fish came next with 45 per cent.

## OFFICERS ELECTED

## LOCAL MINISTERS CAPTAIN CONDON

Attend Unitarian Conference at Groton

The 5th session of the Unitarian conference was held at Groton yesterday. Several Lowell ministers were there and took part in the program. The weather was ideal and there were large congregations, morning and afternoon.

Mr. Abel J. Abbott, of Westford, presided at the meetings, the ladies of the First church providing a substantial dinner to the delegates, and the choir of the church, led by Charles H. Gerrish, organist, gave fitting music, with Miss Susan P. Hill and Mr. Everett H. Gerrish, as soloists. Rev. Mr. Cressy presided at the delegates' breakfast of the town.

The morning session opened with a hymn, and prayer by Rev. Charles T. Billings, of Lowell. The secretary read the minutes of the church, and the president appointed committees to receive resolutions and to bring in a list of officers and committees to serve the conference for the ensuing year.

Rev. Arthur W. Littlefield, of Brookline, was the first speaker introduced. His theme was "Liberalism and the Unitarian Church." Rev. B. H. Bailey of Westford, opened the discussion of this address, and was followed by Rev. William A. Wood of Wilton, and Rev. Francis W. Holden of Milford.

On motion of Mrs. F. W. Holden of Milford, it was voted that the conference shall contribute \$50 yearly for three years to the Unitarian society of Lowell, and the amount raised. Votes of thanks were passed to the Groton parish for the hospitality and to the speakers of the day. Remarks were made to the memory of A. W. Sawyer of Littleton, for many years a faithful officer of the conference.

Rev. Charles W. Wendell of Boston was then introduced and spoke on "International Unitarianism." He invited the delegates to the next meeting in Berlin, Germany, next summer. A special steamship is to be chartered for American delegates and other special arrangements made for their convenience and comfort.

Rev. Edwin Evans of Ayer opened the discussion of Mr. Wendell's interesting address, and the conference closed with the benediction by Rev. William Brown of Tyngsboro.

The next session of the conference is to be held at Tyngsboro.

## BIRTHDAY PARTY

MASTER WILLIAM ROUINE OBSERVES 13TH ANNIVERSARY

The home of Mr. and Mrs. Rouine, 329 Lincoln street, was the scene last evening of an enjoyable birthday party. The occasion being the 13th anniversary of the birth of their son, William. A number of young friends assembled and all assisted in making the affair a pleasant one. A musical program was given and included piano solos by Miss Gertrude Rouine and Masters Frank Kneafsey and Joseph Sullivan. Vocal solos by Frank Rouine, Fred Hanley, J. Lowrey and William Rouine. The quartet also contributed several selections. A Rouine gave several recitations.

The boy was the recipient of many presents the most conspicuous being a dollar gold piece, the gift of his parents. During the evening refreshments were served.

## HEARTFELT GRATITUDE

Thomas B. Sullivan, One of Lowell's Best Known Shoe Dealers, Gives VAR-NE-SIS Credit for Wonderful Cure of Rheumatism

Other Sufferers From This Painful Malady Should Read This Letter and Profit By His Experience

I know that Rheumatism can be cured. Every day I am more sure of this fact. No man living can blame me for my enthusiasm when he sees the mass of letters that I am continually receiving from grateful men and women in all walks of life.

The following interesting letter will portray the feelings of one well-known man who gives VAR-NE-SIS full credit for the good it has and can accomplish. It is as follows:

W. A. Varney,  
Dear Sir,  
Lynn, Mass.

I want to tell you the great benefit I have derived from the use of VAR-NE-SIS Blood Purifier. I was a great sufferer from Sciatic and Muscular Rheumatism. My abdomen was greatly distended. My stomach gave me considerable trouble.

As I am in the retail shoe business I made it very hard for me not to be able to stoop readily, which seemed impossible at times, because my knees were so swollen and stiff. My hands were also affected. To go up and down stairs was a veritable hardship.

About the time I was suffering the worst, I read in the Lowell Sun of the wonderful cures VAR-NE-SIS was performing and, trusting as testimonials were from local citizens, I decided to give it a trial. My rheumatism has today entirely disappeared, never to return. My stomach, and bowels are all right and I can bend with perfect ease as all the stiffness has gone out of my joints.

All this improvement in health is due to VAR-NE-SIS and I assure you that I feel very grateful for the help I have gotten through its use.

Yours truly,  
(Signed) THOMAS B. SULLIVAN,  
257 Bridge St.,  
Lowell, Mass.

I want simply to state that no matter how strong a testimonial may be it cannot possibly do full justice to what VAR-NE-SIS will do. Anyone who will write me or write to any name signed to a testimonial which I publish, will obtain other particulars in regard to the greatest of all cures for Rheumatism.

Sold by all druggists, 50c and \$1.00 a bottle.  
My address is W. A. VARNEY, 25 Hamilton Ave., Lynn, Mass.

THOMAS B. SULLIVAN,  
Lowell, Mass.

## CLEAR THE COMPLEXION OVERNIGHT

Pimples, Rash, Eruptions, Etc., Quickly Eradicated by New Skin Remedy.

Ever since its discovery, posium, the new skin remedy, has in its extraordinary accomplishments, exceeded the most sanguine expectations of the eminent specialist who gave it to the world. It has cured thousands of cases of eczema and eradicated facial and other disfigurements of facial standing. The terrible itching attending eczema is stopped with the first application, giving proof of its curative properties at the very outset.

In less serious skin affections, such as pimples, rash, herpes, blackheads, acne, barber's itch, etc., results show after an overnight application, only a small quantity being required to effect a cure. Those who use posium for these minor skin troubles should immediately secure one of the special 50-cent packages recently adapted to meet such needs. Both the 50-cent package and the regular \$2 jars may be obtained in Lowell at Falls & Burkhawshaw's, Carter & Sherburne's, and other leading drug stores.

Samples for experimental purposes may be had free of charge by writing direct to the Emergency Laboratories, 22 West Twenty-fifth street, New York City.

## GRAND BANQUET

To be Held by St. Patrick's Academy Alumni

The regular quarterly meeting of the Alumni of St. Patrick's Boys' Academy was held Wednesday evening in the school hall, and a large attendance was present. Pres. Jos. A. O'Brien presided and Sec. Chas. R. Griffin's report was accepted. Treas. Michael E. Adams presented his report, which showed a neat balance on the credit side. Other committee reports showed much progress.

Much enthusiasm was shown when Pres. O'Brien suggested that preparations should be made for the annual banquet and reunion. Owing to the grand success of last year's affair, every member felt that this year it could be conducted on a much larger scale and that it ought to be made an annual affair. It was voted that the second annual banquet and reunion be held Monday evening, Dec. 20, in the school hall and that a committee of 15 be named to conduct the same. Pres. O'Brien then named the following committee, and in doing so tried to lose that practically every graduating class since the 1st class of '95 was represented. The following is the committee: Jos. A. O'Brien, '96; Jean F. Saunders, '96; Thomas J. Mulligan, '96; Edward J. O'Donnell, '92; Daniel A. O'Hearn, '94; John J. Hanlon, '92; Charles R. Griffin, '93; Michael E. Adams, '99; John Golden, '94; David Hanlon, '95; Joseph Furlong, '95; Edward F. Quinn, '96; John J. Givivan, '97; Joseph S. King, '95; and John F. Gookin, '98. This committee will meet at a later date, when active plans will be made to make the banquet and reunion a banner affair in the history of St. Patrick's Boys' School.

## BAZAAR OPENED

By St. John's T. A. S. of No. Chelmsford

The grand bazaar, marking the 20th anniversary of St. John's T. A. S. society of North Chelmsford, opened most auspiciously in the town hall last evening with an attendance of about 400 people, including many from Lowell. Rev. Edmund T. Schofield, pastor of St. John's church, and spiritual director of the society, was the guest of honor at the opening exercises. The hall was resplendent in its many beautifully decorated booths and it is needless to state that there were liberally patronized.

On the left side of the hall was the parish table, the St. John's T. A. S. society's table and former building fund and fish pond, while on the right of the hall was the St. John's Ladies' Auxiliary table, and candy table and the society table, and the table of Capt. Wampanoag, M. C. G. From the centre of the ceiling different colored streamers were gracefully festooned. The large picture of Archbishop, Wm. H. O'Connell on the parish table, and the large picture of Rev. Edmund T. Schofield on the Auxiliary table, together with the large group photograph on the Foresters' table, were some of the leading attractions, which contained a large number of beautiful articles.

Over the parish table was a large cross, handsomely decorated, while on the Auxiliary table was the head of a large dog.

The fortune teller was Miss Zorach, and she held forth at the parish table. A fair of linen rices was drawn on the parish table by Miss Mary Tolson.

A delightful entertainment was a feature of the opening evening's exercises with the following program:

Piano duet, Gertrude Quigley and Rose McEnaney; song, Margaret McEnaney; reading, Veronica Leonard; Silver Ball, Madeline and Dorothy Driscoll; whistling solo, William Carr; quart, Annie Conance and Gertrude Quigley; Spanish dance, Anna McCashin; reading, Frank Higgins; piano solo, Estella Mallory; Highland fling dance, Madeline and Dorothy Driscoll.

The bazaar will continue this and Saturday evenings, with a baby show on Saturday afternoon, and a supper Saturday evening from 8 to 1 o'clock. The prizes that will be awarded at the baby show were on the Foresters' table last night.

## LONG STAGE RIDE

Was Enjoyed by the President

WAWONA, Cal., Oct. 8.—An all-day stage ride over 31 miles of mountain road brought President Taft last night to this little Sierra retreat, eight miles from the entrance to the Mariposa Grove of big trees, where the chief executive starts today at sunrise.

Mr. Taft and his party reached Wawona hotel in their stages at 5 p. m., one hour after the scheduled time, and to the lingering in the Grouse creek forest near Chinquapin, where the noonday luncheon was served on a provided tables set down at the foot of a hundred towering pines.

The day's ride from El Portal, which began at 7 a. m., included glimpses of the Yosemite valley from Inspiration and Artists Point, a pursuit of the tumbling waters of the Merced river and the valley floor, and a winding narrow climb to a height of 9,000 feet at the crest of mountains which stand in the wonders of the Yosemite.

The day was cloudless the air lit-

crystal, and everywhere was an exhilarating scent of the pines.

News that mountain lions were infesting the park held out hope of adventure for a time, but not even the tracks of one was seen on the road. The president declared that this was one of the most enjoyable days of his life. It was his first glimpse of the Yosemite, and the impressive surroundings, the bracing mountain air, the freedom from speechmaking, all contributed to the pleasure of the first day of roughing it in the Sierras.

This outing came just in time, for the president was pretty well tired out when he left San Francisco.

Mr. Taft's constant coach companion to-day was John Muir, the naturalist and explorer. Mr. Muir knows Yosemite and he had ready answers for the innumerable questions the president put to him.

As he passed through the outskirts of the valley the president was saluted by a grizzled old California pioneer, Clark Clark, the first white man to have known the existence of the giant sequoia trees which the president will see today. Mr. Clark is now more than 70 years of age. He lives in the park among the trees and mountains he has known so long.

President Taft alighted from the stage during a portion of the trip and walked a mile or more up the mountain.

tain roads. It gave him a fine appetite for the picnic luncheon of fried chicken, potatoes, fruit and jelly, served in the Grouse creek pine forest.

At one point in the park where a change of stages was made, the president was greeted by a band of little school children, and shook hands with all of them.

Last night in the temporary "White House," into which one of the little hotel cottages has been converted, the president is being guarded as he was Wednesday night at El Portal, by a detachment of cavalry.
